FEATURED SPEAKER

Dr. Melissa Todd earned her Ph.D. in Counseling Psychology from the University of Missouri-Kansas City. While receiving a generalist education, she chose to focus her graduate research on sport psychology resulting in a publication in the Journal of Sport Behavior. Melissa went

on to complete 2 ½ years of applied training and experience in sport psychology and biofeedback at Kansas State University, where she worked with NCAA Division I athletes, teams, and coaches. Melissa currently heads an intensive outpatient program at a psychiatric hospital part-time, which allows her to focus on her career in competitive running. A 6-time NCAA Division III All-American and 1997 National Champion at 1500 meters, Melissa put her running career on hold while completing the requirements for her professional degree. Since resuming her focus on running in 2008, Melissa has achieved 14 personal records at distances from 5K to the marathon. She currently races under the sponsorship of MizunoUSA. Post-collegiate running accomplishments include an 11th place finish at the 2006 USA Half Marathon Championships, an 8th place finish at the 2008 USA 10-Mile Championships, a 5th place finish at the 2009 500 Festival Mini-Marathon, a 3rd place finish at the 2009 USATF Club Track & Field Championships at 5000 meters, and numerous road race wins in the region and around the country.
